AUSTRALIA/UNITED STATES DISCUSSION AGREEMENT

1. Extent of Undertaking to Provide Minimum Level of Service

With a view to providing adequate, economic and efficient shipping services, Member Lines agree, subject to the conditions set out in this Appendix, to provide the minimum level of service specified in Paragraph 3.

2. Basis of Providing Minimum Level of Service

The Minimum Service Level in this Appendix is subject to the Conditions of the Member Lines' individual Tariffs (excluding the schedule of freight rates and charges) and Force Majeure (including strikes, actual conflict or civil disturbance) wherever occurring.

The minimum level of service specified in Paragraph 3 is established having regard to actual trading and operational conditions in the 12 months to 31 August 1999. In the event that any of these conditions change to a degree which could prevent the achievement of the specified minimum level of service, the Member Lines have the right, with prior notice to the relevant Designated Shipper Body, to provide proportionately a lower level of service for a period not exceeding 90 days.

If the present Appendix is not amended in respect of the minimum service level within the 90 day period, Member Lines will take whatever action is necessary to provide the minimum level of service specified in Paragraph 3.

3. Statement of Minimum Service Levels

The minimum service level for the purpose of this Agreement on the basis in Paragraph 2 is as follows:

a. Minimum Capacity and Service

The Member Lines collectively undertake to maintain sufficient tonnage in the trade to provide:

West Coast USA	46,450 TEUs and 125 sailings
East Coast USA	14,000 TEUs and 32 sailings

- d. Other Ports

- e. At the time of negotiating this Appendix B - Minimum Level of Service document the overall range of ports serviced, whether direct or indirect, contained in the current terms and conditions of the Member Lines individual Tariffs form part of this Agreement.

Any change to tariff arrangements is subject to negotiation if required, with the relevant Designated Shipper Body, currently the Australian Peak Shippers Association.

4. Amendment

This Appendix is subject to amendment by Member Lines after negotiation, if required, with the relevant Designated Shipper Body, currently the Australian Peak Shippers Association.
